

Dinlog Petrol Saver PS990

(For Petrol Cars & Petrol Jeeps 1000cc to 3000cc)

Benefits:

- > Saves Petrol by 20%~30%
- > Increases Pick Up
- > Cools down the engine
- > Smoothens the engine
- > Reduces Smoke & CO
- > Good for Petrol engines

Packings & MRP:

15ml MRP Rs.300 (For use with 150 Ltr Petrol)
30ml Rs.540. 60ml Rs.900. 100ml Rs.1500.

Note: 1 ml is equal to approx. 20 drops.

Mfrs: Dlag Technologies, Chennai-33.

Website: www.dlagtech.com

User Instructions:

1. Immediately after filling petrol add Dinlog Petrol Saver PS990 at 1ml for 10 litres Petrol filled. **Note:** First time alone put 2ml for 10 litres Petrol in the tank.
2. Add Dinlog Petrol Saver PS990 whenever Petrol is filled in.
3. Add Dinlog Petrol Saver PS990 directly with Petrol in the tank. Do not mix with Petrol in a separate bottle, and then put into tank.
4. Do not put in extra doses than prescribed. Put correct (low)dosages to get more mileage.
5. For proper mixing of PS990 with Petrol, first put into the tank, PS990, then over it fill Petrol, so PS990 goes into the Petrol Tank.
